## Question: 1

A business analyst needs to visualize the sales of products by product category, product sub-category, and product name. The analyst would like to see the relative sales by product hierarchy without using a drill-down dimension.

Which chart type should the analyst use?

- A. Grid chart
- B. Block chart
- C. Combo chart
- D. Radar chart

**Answer: A**

## Question: 2

Refer to the exhibits.

A business analyst needs to modify Chart\_A so that it looks like Chart\_B when users hover a mouse over it.

Which two actions should the business analyst take to meet this requirement? (Select two.)

- A. In the Dimensions tab, check Show All Values
- B. In the Expressions tab, check Text as Pop-up
- C. In the Presentation tab, check Pop-up Labels
- D. In the Expressions tab, check Values on Data Points
- E. In the Presentation tab, check Show Numbers in Legend

**Answer: CD**

## Question: 3

Which three options can be used to change the background on a bar chart? (Select three )

- A. Color

- B. Image
- C. Multicolored
- D. Dynamic Image
- E. Persistent Colors

**Answer: ABC**

### Question: 4

Refer to the exhibit.

The exhibit shows two tables. The first table, 'Field\_3', is a pivot table with a green filter applied to the 'Field\_3' column. The second table, 'Table\_1', is a pivot table showing the sum of 'Field\_5' for various categories. The data in 'Table\_1' is as follows:

Field_3	sum(Field_5)
E	13
A	9
B	9
G	8
H	8
D	5
TOTAL	35

The TOTAL in Table\_1 equals 35 instead of 52  
What will this indicate about a data model?

- A. There is at least one synthetic key in the data model
- B. The Expression Total is selected as Total Mode in Table\_1
- C. There is a many-to-many relationship between Field\_3 and Field\_5
- D. Dimension Limits are used in Table 1 to restrict the displayed values

**Answer: A**

### Question: 5

A business analyst needs to analyze average sales by product number and country by year. Which measure(s) should the business analyst use?

- A. Year
- B. Average Sales
- C. Average Sales and Year

---

D. Product Number and Average Sales

<b>Answer: D</b>
